

HSR Snow Shoveling Agreement

County Roads and driveways must be plowed and accessible to the address listed below BEFORE shoveling takes place.

Shoveling services are provided once storms are complete and all our driveway plowing allows. We will not make any guarantees that we will get to your shoveling prior to your arrival/departure, as clearing driveways is our number one priority. We do our best, but we will need your patience and understanding as all snow removal takes time. Please note that your driveway must be plowed for us to provide the proper shoveling services.

Your options for shoveling are listed below. Please select the plan you want to sign up for, if specific areas be sure to include. Driveway MUST be cleared BEFORE any shoveling will take place.
